DDS&T reported on the extensive ChiCom reaction to the TACKLE flight last night. He noted that the Agency is confident that a nuclear storage facility has been identified in East Germany and that this is the only such facility outside the USSR. He noted that various members of his directorate are working with the Air Force on what is to be done with CORONA over the next two years. He briefed on the Office of Computer Services in the DDS&T.

Houston noted that the Agency relations with the Internal Revenue Bureau are excellent.

DDCI wants the new Director of the Bureau of the Budget to be invited to come to the Agency for briefing and lunch.

Earman reported on his recent trip with an NPIC survey team to be briefed on the Navy's Integrated Operational Intelligence Center. The DCI expressed interest in seeing the IG report on NPIC as soon as it is ready.

DDS reported on successful efforts to keep the Agency ceiling on personnel in hand, and noted that the Agency has reduced its size by [] personnel this fiscal year. He noted that more college graduates are seeking to come into the Federal Government. He raised the question of delinquent fitness reports. He reported that the haircut center on the first floor was not doing as well as was expected. In this connection the DCI directed that personnel be advised to make use of this facility since it would save a good deal of Agency time.
